The test of a first-rate intelligence is the ability to hold two opposed ideas in mind at the same time and still retain the ability to function. One should, for example, be able to see that things are hopeless and yet be determined to make them better. - F. Scott Fitzgerald

Bread for the World Letter-Writing Campaign sponsored by the Social Concerns Committee, is Sunday, May 30 in the Center. Bread for the World is a collective Christian voice urging our nation's decision makers to end hunger at home and abroad. We are not asking for money. Rather, we are asking for a few minutes of your time to add your voice to ours in urging Congress to adopt changes to U.S. tax policy that will benefit low-income families. By working together to win passage of bipartisan legislation, we help change the conditions and policies that allow hunger to persist. If you want to know more about this organization, please visit: www.bread.org. Questions? Contact Schawn Kellogg: Schawn@arvadaumc.org or 720-284-1196.
